

Universal Polishing Systems Warranty

The Company listed below warrants to the owner that the concrete surface described herein has been treated with the Universal Polishing Systems Diamond Glass NANO Densifier for a period of ten (10) years beginning the date of treatment, the surface will remain hardened and dust proof. If the surface fails to perform, the undersigned applicator will reapply the Universal Polishing Systems Diamond Glass NANO Densifier to be supplied to the applicator by Universal Polishing Systems.

Conditions

This warranty applies to structurally sound concrete surfaces only when treated with Universal Polishing Systems. Warranty is void if concrete failure occurs due to improper design of the concrete, faulty workmanship or failure of materials other than those used in the Universal Polishing Systems process.

This warranty is void if the Universal Polishing Systems maintenance specification are not followed or if the surface is impaired or altered without written approval from Universal Polishing Systems and the applicator/company listed below.

Limitations

Universal Polishing Systems and the applicator/company of record shall not be liable in any respect for any damage to the building described herein, contents, other property or persons; nor will they be liable for any incidental or consequential damages, whether based upon negligence or otherwise. The provisions of this warranty shall constitute owner's exclusive remedy, and will not be deemed in force until all obligations under the original application contract have been paid.
